

CENTRAL TORONTO ATHLETIC CLUB

The Central Toronto Athletic Club (CTAC) is pleased to announce the inaugural Elite Athlete Support Program. The purpose of the program is to support the continued development of CTAC athletes who have achieved a nationally competitive level, and whose participation in higher-level competition contributes to the club's objective of developing athletes to their full competitive potential. The award is intended to lessen the financial burden of competitive opportunities for athletes who meet the criteria and have demonstrated commitment to high-performance sport and CTAC. To be eligible, athletes must attain a Top 5 National Athletics Canada Outdoor ranking in their age category and primary event, and/or qualification for the Canadian U18/U20 National team(s). The award includes a reduction of up to 50% of the applicable annual CTAC membership fee for one full athletic year.
